Why is there a meeting? All are to be part of the committee in the spirit of inclusiveness and pursuant to Dan's amendments to the motion passed by the membership. And, per the Bylaws, Jean is not president any longer because new officers were to be elected at the Board meeting following the annual meeting, so for now we have no president and no officers as their terms have expired.

I have no issue whatsoever.

All committee sign-ups were turned over and will be discussed at a special meeting of the board to finalize membership. This is being done so the committees can meet and make progress. I am not sure what you want to inspect; but the sheets can be inspected at the next board meeting. Jean as president has some responsibilities and hence the committees are not yet formed.

What does this mean? Again sign up sheets are records and members are able to obtain copies of records by law. In addition Dan said the committees would be open to all and it is on that basis that the motion was passed, so what is the issue?

There is a special board meeting scheduled to handle this already in place.

Please provide the committee sign-ups and the attendance sheets from the pool meetings so we can get a meeting together before the next Board meeting.
