Hi Gwyn,
At this point I want to focus on what's ahead rather than worry over past events, good-bad-otherwise.

So do you have some time to kick all this around at about 5ish or if not then when?

I have a short rebuttal dec re Cathie Harrison's safe face dec. Wanna see it?

We need to respond that these are all the Board members elected without opposition and they all had a personal agenda to close the pool. That's why it was not open because of their agenda NOT to open the pool and to destruct the pool. We need to say that they have been outvoted now twice so the current board reflects the community sentiment.

I told you it was in error to dismiss them since there was bad faith and we needed to submit that discovery to prove it. It is important now. Have chris send the discovery I prepared.

I am sure it is destroyed now and Karen has eliminated all her emails and docs..... Very unfortunate.
