Subject: And all of the complicit Board members can resign or be removed. Just comply with the law so we can move forward please without dissension.

This is my fourth request for the committees list so the committees can meet before the next board meeting. Please comply and provide the list. You know I have requested other corporate records of acbc, which you have failed to produce despite the law. Why have you not produced the records members are entitled to as I have requested before? I have cited applicable statutes requiring you to produce these records and you still fail to produce the records. Other **professionally** managed groups provide this information routinely because they know it is THE LAW. Why will you not comply with the law??? If you will not comply with the law, you must resign.
