When are we getting the report? and there is no need to spend money on an architect until then I understood. we need to conserve our funds. I can't get there until Sunday afternoon but I am happy to tune in by phone. I am still out of town.

Good Morning -

I checked with Jean this week - we are waiting for the pool report, Bob. I'll call Harry, since he wasn't at the latest meeting.

After the pool report, there needs to be an inspection of the pipes/plumbing in order to produce an accurate RFP (request for proposal), which is then sent out for bid. We are also waiting for info from the architect. This is a 'process' for an acceptable, cost-effective solution for more than this summer, not a quick fix. After proposals come in, the board needs to craft an initiative for the residents to vote on, to see if they will fund the rehab.

Cathie

Subject: meeting?

Hi Catherine,

Re our Feb 28 deadline, several of us are hoping there will be a meeting of the committee to develop a recommendation, and of course, to apply the latest info to that.

Harry and I were thinking maybe this weekend???
