Dear Board Members,

With respect and some sadness I am presenting to you a suggested solution to the legal quagmire you have inherited from the previous board. I seriously suggest and believe it is the most reasonable and least tortured way up and out for this community and all of us directly responsible for fixing the problems that took us here and mending the path forward. Please review in order of 1) concurrence and 2) declaratory statement (which is what we would ask the judge to effect legally based on our concurrence (file 1), should we agree.

Thank you for considering this in the positive manner intended and for your perseverance in seeing this matter resolved and put behind us.

Sincerely,
Bob Wilbur
