**Subject:** jean salls draft

Can you please provide the members of the Pool and and Long Range planning committees a copy of the ballot the Board is now considering? The pool committee was to draft the ballot for the Board to circulate to the membership. Please send the Board's draft to each committee member tomorrow so that they may have a little time to consider options, etc., before the Board meeting on Saturday 5/13/2013.

Thank you,  
Gwyn
