You all have made awesome progress. I hope that the last few mechanical issues fall into place quickly and successfully. Sorry, I'll be off Island Friday and not able to attend your gathering.

In considering operating hours, I don't think we want to pay overtime ... so if there are only 2 lifeguards and we intend to operate 6 days a week and there is ½ hour work for them on each end of the day, we can only be open about 5-1/2 hours per day.

Well..We are quite a group of volunteers. We are getting closer and closer to opening. The final steps need to happen to get ready. We just need to have a get together of our two groups to finalize rules, hours and charges, etc. I will attach some information from long ago and the info we are considering for this year. We need a flyer, we have punch cards for 5 swims and single swim...

Come down to the pool at **1 PM on Friday** and we can take a tour as well as talk about signs, flyers, \$\$\$ and life guards. Susie Pettersen and I will try to have some 2014 season samples for you to review. We are very excited. The kids stop by every day to ask if they can help and when we will be open...that's what it's all about!!! I know they will be so excited to see the **OPEN** sign go up!

See you then!
