Hi Bob,

I am sending this on to the BOD for their information and also to Chris Nye. Thanks for pulling this up. This is in concert with my memory of the situation. Again, Dan is inserting himself at the center. I would guess that the only folks who should be concerned about this would be the remaining past board members since it was their document that he is refusing to sign. I would not post anything on ND regarding this as we need to clear it with our attorney's documents as well. I would guess that we don't need to do anything, but will wait for advice from Chris Nye.

Very interesting,

Suzy

Hi All,

So Carol just filled me in re Dan not signing his release form. It's my understanding that I have released Dan and there is nothing for any individual defendant to sign except the bogus form Vasu sent around that was preempted by my release of the individual defendants. See message below.

Bob -

Sorry to be so slow in responding to this. I was able to successfully resolve my jury trial yesterday afternoon so I am now trying to catch up on the other pending cases - including yours.

Yes, the individual defendants were dismissed and the only remaining defendant is ACBC as an entity.
