Hi Dustin,

Sorry for not getting back to you - we were visiting our elder daughter in Pasadena for a couple weeks and then got behind on returning calls from a raft of voice mail. Cathy Harrison's doing a good job keeping the architect and pool consultant moving along. The Pool Committee will be meeting this Thursday to go over the consultant reports which are available for all concerned to review now. (I've not read the reports yet, will do so today) I'd expect a recommendation from the Pool Com in hand for the BoD meeting this Saturday, hopefully the BoD will then take a direction and get a ballot out in a timely manner. It's going a bit slow, but in the right direction.

You can reach me at 360 969 2205 if you'd like to discuss further.

Kind Regards,  
Ed.

Subject: Pool surveys

Hi Carol and Ed----I'm hopeful you are doing well.

Ed---I wanted to touch base with you on how you think the Board is doing. What is the best time and number to call you on?

I left a couple of messages on your home phone---is there a better number?

Dustin
