Sue,

Thank you for sharing your input and concern. I did talk with the Heath Dept this afternoon and asked your question about displaying our permit. They made it very clear that if the pool is not open there is no reason to display the permit. When the pool is open the permit will be displayed.

There is no law being broken in regards to displaying the permit.

Fred

Ladies and Gentlemen

The pool permit states it must be posted in a 'conspicuous place'. As of this morning, it is not displayed ANYWHERE on or near the pool. This is in violation of the Permit process.

Once again the boards disregards the laws.
