Jean,

Given the motion-approved process regarding the pool and the ballot, can you please provide the members of the pool and and LR planning committees a copy of the ballot the Board is now considering. These committees were clearly to lead the drafting process for the Board and the committees were to work together to prepare a final ballot. Accordingly, can you send any and all ballot proposals to each committee member today so that they may have a little time to consider options, before the Board meeting Saturday, 5/13.

You welcomed input but we do not know what input to provide without the benefit of what you have done thus far.

Thank you.

Gwyn
