Subject: inal recommendation for the ballot

Hi everyone,

I would like to send the "Joint Pool Committee" and the Long Range Planning Committee a draft of the ballot for the assessment so that we can have a final okay in keeping with the October 2012 motion which states it should be a joint effort between the two committees resulting in a recommendation to the BOD. I believe we already have had this informally, but thought it would be good to have it in writing so that we can document for the court.

Let me know what you think...

Suzy
