There will be a Pool Committee meeting on **Thursday, April 11th, 7 PM, at the Shelter** to review the documents/plans/recommendations from Stig Carlson, the building architect, and McKean Hintze, the pool consultant.

We will be receiving these documents within the next week. To date, there has been no information to post online or email you.

April 11th is your opportunity to review the docs and have input before the board meeting on Saturday, April 13th. The intent is to review and propose an amount to be used for the special assessment ballot, which will be composed by the board. Some of the work may be done in phases but the project needs to be approved

FYI - Tim Dahl and Ed have been key in working this project, Tim will be out of country for 3+ weeks and will not have had an opportunity to review the information.

Happy Easter, everyone, and I will see some of you on the 11th. Thanks,

(Jean - if I've left anyone off, please forward this email.)
