Good Morning -

Thanks for the call yesterday, Mick. I'll be at the shelter at 10:30 Saturday morning but need to leave by 11:15-11:30. Call me if you are either running late or early.

Tim, Ed - are you available to meet with McKean at 10:30 Saturday? He wants to walk through the pool area one more time and will stay and for the 2 PM board meeting. Jean will be there to open the pool, etc., and Karen's being invited as a rep from the pool ops and safety committee and long-range planning committee (Maria's not available Saturday).

Good Morning, McKean -

Have you decided which day you will be coming to present -- Friday or Saturday this week? I need to let the board and pool committee members know - their meeting's this Saturday at 2 PM. Thanks,
Cathie

I can meet Friday about 11 AM but the board meeting isn't until Saturday - so you would have to make two trips. If you want to come only once, McKean, how about 11 (or 12-noon) on Saturday, then stay for the 2 PM board meeting and to answer questions? Will that work best?

Will you have a written recommendation we can share? Thanks for the quick response.
Cathie

Cathie:

I would like to meet with you, but it may be helpful if I sat at the Board Meeting to answer any Questions. So Friday or Saturday would work, at about 11: 00 a.m. what do you think?
Sincerely:
Mckean V. Hintze Architect.

Hi, McKean -

Is it possible that you will have the document for review by next week? We can meet with you either Thursday, Friday, or Saturday (noon on Saturday, before the board meeting).

I will not be available Saturday, the 9th, but Tim Dahl will represent our pool committee as chair for this meeting. We have a board meeting set for 2 PM on Saturday, March 9th, so a briefing prior to that meeting would work as well, if not Thursday or Friday.

Thanks,

Cathie Harrison
