Hi Ed---we passed a motion that said:

Considering that we are a 501 c (7) organization ---it is moved that we obtain a legal opinion on whether we can develop a tiered dues structure, whether we can have non-members pay for use of the pool and whether we can collect a service fee.

Regarding the pool ballot Motion---do you want me to send you the amended written version that we passed?

Dustin

Subject: Pool Ballot Motion

Hi Dustin,
I'm holding off on sending questions to Chris Nye until I have the wording of the Pool Ballot Motion. Other than that, and the service charge for past due accounts the only other legal issue I can find in my rather sketchy notes is the 501 c 7 tiered member question. Please let me know if there is another issue I'm not remembering.
Kind Regards,
Ed.
