POOL OPERATION.docx (15.0 KB)

Hi Dennis,

Here's the task and members list for your committee. We'll need to discuss how to approach the tasks for 2015 since we're not sure if the pool refurbishment will happen this year, or ever as far as that goes. Never the less, good to get the folks together and have some general discussions on how to approach. I'll do my best to make a meeting or two, especially as you get started.

Thanks for taking on this job,

Ed.
