Carol,

I'm finally getting to posting. What you provided appears to be a cover page only. The details aren't included.

Hi Steve,

Attached is a compilation of all the reports and sketches for the pool renovation study done in 2013. I apologize for not including these with the pool building reports we uploaded last spring. Not sure how I overlooked them -- too carried away with all the other interesting material we had to post??

Thanks to Dennis for pointing this out.
