It sounds as if we are getting much closer. I appreciate the Cc. Please keep me posted. I will be out of town from the 4th until the 12th of April but look forward to learning the new information. If there is anything that could be electronically sent I would like to review it before the meeting.

Bob-

Sorry you won't be able to attend. The 'rules' say that two board members will be on each committee. Jean has attended all of our meetings as well as Ed, Maria and Karen have attended as part of the pool maintenance committee and long-term planning, since this plays into the whole plan. I did ask Jean to include others who may be interested. Thanks,

As I get the reports, I will make them available.

Cathie

Subject: Re: Pool / Building Committee Meeting

Hi All,  
Regrets, but I will be gone then.

Cathy can you request written reports in Word prior to the Apr 11 meeting to send out (hopefully by the 10th or earlier) to any of us who cannot attend so that we can at least supply written comments.

Since Maria and Karen are not part of the Pool Comm and Jean is ex-officio, this appears to be a pool meeting with the board, so it appears you inadvertently left off a couple board members who probably will want to attend (no problem, I cc'd here for you).

Thanks,  
Bob

**Subject:** Pool / Building Committee Meeting

There will be a Pool Committee meeting on **Thursday, April 11th, 7 PM, at the Shelter** to review the documents/plans/recommendations from Stig Carlson, the building architect, and McKean Hintze, the pool consultant.

We will be receiving these documents within the next week. To date, there has been no information to post online or email you.

April 11th is your opportunity to review the docs and have input before the board meeting on Saturday, April 13th. The intent is to review and propose an amount to be used for the special assessment ballot, which will be composed by the board. Some of the work may be done in phases but the project needs to be approved

FYI - Tim Dahl and Ed have been key in working this project, Tim will be out of country for 3+ weeks and will not have had an opportunity to review the information.

Happy Easter, everyone, and I will see some of you on the 11th. Thanks,

(Jean - if I've left anyone off, please forward this email.)
