Hi All,

We've received the invoice for the Pool Permit from Island County Public Health.

Cost to renew is \$286.00.

From what we were told when we met with Aneta Hupfauer of Island County Public Health, not only will this be necessary if we open this year - still to be determined - keeping the permit active on an annual basis will facilitate proceeding with permits for renovation work. With this in mind I'm asking you to approve - by responding to this email - a warrant for renewal of the ACBC Pool Permit.

To be very clear, this does not mean we will open the Pool this year, it means if after inspection we meet all legal requirements we would be authorized to open the Pool.

Please call if any questions,

Ed.
