We really won't know until we fill the pool and begin to see what needs to be repaired. The group felt that it would like to wait until we see if the pumps are working, then check the heater. So it is a "best to worst case" senerio. We can be much more specific in May. Our estimates also rely heavily on volunteers...so we are going to have to shake the bushes if it looks like we can do it.

Can you bring a breakdown of your cost estimate of \$25,000 to \$40,000 to the BOD meeting?

It's a large number without supporting detail. Thank you.

**Subject:** Letter to the Board from Pool Committee

After our second Pool Maintenance and Operation Committee Meeting this week it was decided to send an updated letter to the BOD. I am attaching the letter to this email so you are up to speed prior to the BOD meeting.

Regards,
