Hi Trina,

I hope you are able to enjoy the beautiful weather today. When you have time I wondered if you could stop by and turn the filter off on the pool? We have lost very little water in the last week so our evaluation regarding the possible leak is concluded. If there is one it is slight. The heater is our next step. I am going to be away from home for a few days. If you need anything you can still reach me on my cell.

Thank you for all you do. We will keep you posted.

Suzy
