SUPPLEMENTAL RESPONSE

On May 24, 2016, this Court entered a notation ruling providing Respondent Admiral's Cove Beach Club ("ACBC") additional time to provide support for its contention that delays in pool renovation work caused by Appellant's proposed stay will result in a 5% increase in project

costs as set forth in ACBC's original opposition and the supporting Declaration of Ed Delahanty.

In response to the Court's notation ruling, ACBC submits the attached Declaration of Ed Delahanty in Support of Supplemental Response of Admiral's Cove Beach Club in Opposition to Appellant's RAP 8.3 Motion and attached exhibits.
