Hi Ed,

I want to thank you for allowing me extra grace with my summer school schedule.

It is over now,, Wow, the hours for that class had me in Mt. Vernon every day for 6-18 hours a day 5 days a week..

My daughter and her family are visiting this weekend from San Diego, so

Starting Monday, I am available every day after 11, except Sundays.

Thank you So very much for your patience.

Fred and I spoke and I will be down after church. Thanks

I will talk to you soon...

Trina
