Hi Ed,

I hope all your plans are coming together well..

When is the grand opening?

My plan is to be at the pool from 1 to 7:30-8, everyday except Tuesdays and Sundays.

I have commitments I can't get out of on those days.

If you could let me know when you need me that would be wonderful!

My husband asked the father of the life guard I know of Devon.. But I didn't hear anything else.

Thanks

Have a very blessed day.

Trina
